

Royalty Schedule

Infinity Generation, Inc.

Last Updated: October 1, 2025

This Royalty Schedule (“Royalty Schedule”) is incorporated by reference into the Infinity Generation End User License Agreement. The following royalties apply to the commercialization of Plugins and Developer Software developed using the Software.

Revenue Threshold (Annual Gross Revenue)	Royalty Rate	Calculation Basis	Payment Terms
\$0 – \$100,000	0%	No royalties owed.	N/A
Above \$100,000	1%	Calculated only on revenue exceeding \$100,000.	Payable quarterly, within 30 days of Quarterly Report submission.

Example: If your annual gross revenue is \$150,000, royalties are calculated as 1% of \$50,000, totaling \$500.

Infinity Generation may update this Royalty Schedule from time to time in accordance with Section 14(c) of the End User License Agreement.
